Archbishop Molloy High School, a Catholic Marist School, offers a challenging academic program rooted in the Gospel. Molloy has been recognized by U.S. News & World Report® as an Outstanding American High School and was named an Exemplary Secondary School by the U.S. Department of Education. The most recent graduating class won over \$100 million in college scholarships.

The curriculum includes a full range of Regents-level courses and many Advanced Placement courses which allow students to earn college credit while in high school. Our students participate in interscholastic sports, service programs, publications, language clubs, band, chorus, drama, art exhibits, Science Olympiad and research teams, and religious activities.

Molloy's well-maintained facilities include a renovated cafeteria and library, research center, four science labs, chapel, theater and two gymnasiums. The six-acre campus includes an all-weather outdoor track and baseball field. Molloy fully integrates iPad® technology in its classrooms.

Molloy's intensive academic counseling helps students to select the colleges that are best for them and to win scholarships at top Ivy League, Catholic, private and public universities. Extensive opportunities for personal counseling grow out of the Marist Brothers' mission of service and promote students' spiritual and emotional development in both small groups and one-on-one sessions.

The Marist Brothers' Retreat House in Esopus, NY is the site of many camps and retreats at which Molloy students can either attend or work as counselors and service staff. Freshman Camp, a unique opportunity for incoming freshman, is held each year at Esopus for one week in July. The summer camp is designed to build community spirit, enrich students' self-esteem, initiate friendships and develop relationships. Molloy students volunteer for service programs throughout the U.S. and abroad, including in Nicaragua and Lourdes, France.

Molloy offers Academic and Named Scholarships valued at over \$1.2 million. In order to be considered for a scholarship, applicant must place Molloy as first choice.

Admission and Academic Scholarships are awarded based on students' TACHS scores and academic records for 6th, 7th and 8th grade. Named Scholarships are available for students who demonstrate financial need and meet the necessary scholarship requirements. HISTORY

Bishop Loughlin Memorial High School is a Catholic, Lasallian, co-educational college preparatory high school founded in 1851. Directed by the De La Salle Christian Brothers, it is located in Brooklyn's historic Fort Greene/Clinton Hill and easily accessible by public transportation.

FACILITIES

The school building includes two brand new state of the art Project Lead the Way labs, a top of the line music studio and performing arts center, modern Biology, Physics and Chemistry labs and a 21st century art room. Library with automated circulation system and research computers, three Computer Labs, Internet access, school web-site, e-mail, Chapel, Guidance Offices, 36 classrooms and administrative offices, professional Dance Studio, and a 1,100 seat Auditorium. Our Athletic facilities include a gymnasium, newly renovated weight-training facility, handball courts, outdoor track, locker rooms for young men and women and outdoor space for softball, volleyball, flag football, and touch football.

PROGRAMS

Bishop Loughlin's academic program is a combination of required and elective courses designed to prepare students for college, develop their special talents, and help them reach full potential. A full spectrum of academic courses, including advanced placement and honors courses is offered. Over 97% of our students go on to college. Starting in the fall of 2016 students will have the opportunity to study STEM courses in engineering and biomedical science. Students must meet all New York State curricular standards and testing requirements in order to earn a diploma. Bishop Loughlin's House System of Student Governance is a unique program that automatically includes every student

A Lasallian school transforming lives since 1680

in the school, as soon as they enter Loughlin. The entire student body, along with the majority of the staff, is sectioned into 8 houses named after significant people in the history of the school and the Catholic Church. Throughout the entire year, these houses engage in friendly competition, often to benefit worthy charities. Many other purposeful, fun-filled events are generated throughout the House System to develop leadership & build community.

ACTIVITIES

Bishop Loughlin offers a full range of extra-curricular activities for young men and women in athletic and cultural areas. The Performing Arts Program counts some 300 members in three bands, choir, five dance groups and drama. Over 95% of the band members learned to play instruments at Bishop Loughlin. In Sports we offer track, volleyball, basketball, bowling, baseball, softball, lacrosse, handball, soccer and new for this year club rugby.

FINANCIAL AID

A financial aid program, based on proven economic need, is also available to the parents of our students.

SUMMARY

Bishop Loughlin is College Prep and so much more. Respect, care for others, motivation to learn, religious faith and lively school spirit characterize Bishop Loughlin Memorial High School (TACHS code # 003). Visit our website at www.blmhs.org. Contact us to arrange a private tour or visit.

Cathedral Preparatory School and Seminary is a Roman Catholic, college preparatory educational community under the auspices of the Diocese of Brooklyn. As a high school, Cathedral forms the mind in ways of academic excellence through a personalized, superior education where growth in maturity and grace are encouraged and fostered. Through a program of individualized instruction and support, students are challenged to achieve academic greatness. As a seminary, Cathedral affirms the uniqueness and dignity of an individual vocation, specifically providing an environment for a young man to discern a vocation to the diocesan priesthood, while forming all students to become strong and dedicated leaders in the Church and the world by the development of heroic virtue and belief.

FORMING MEN FOR GREATNESS IN THE WAYS OF... STRONG CATHOLIC IDENTITY

- Our priority is forming men to know and love Jesus.
- Daily Mass and weekly Eucharistic Adoration are at the core of the school's schedule.
- Our students are taught about all vocations, including priesthood and marriage - all are formed to be Christian leaders.

PERSONALIZED EDUCATION

- Cathedral Prep is a small, all male high school offering a highly personalized, one-on-one education.
- A selective admission process yields approximately 40 - 50 new students per year.
- Our teachers create an intimate learning atmosphere in which they adapt to the various learning styles of students.

ACADEMIC RIGOR

- At Cathedral Prep, exceptional students are challenged to meet their full potentials.
- Greatness is expected from every student.

- Course offerings include a full battery of Advanced Placement classes including World History, US History, and English Literature.
- Through a partnership with St. John's University, students have the opportunity to graduate with up to 21 college credits.
- One third of students receive scholarships and tuition assistance.

EXTRACURRICULAR & INTERSCHOLASTIC OPPORTUNITIES

- Through physical activity and healthy competition, students grow stronger in mind and body while developing the qualities of leadership and sportsmanship.
- Our interscholastic program includes: Baseball, Basketball, Bowling, Cross Country, Track and Field, Forensics (Speech and Debate), and Soccer.

FRIENDSHIPS FOR LIFE

- One of Cathedral's greatest strengths is a spirit of unrivaled fraternity and acceptance among the students.
- Every student belongs to a fraternity led by a faculty mentor who provides the foundation for student support, competition, and brotherhood.

SUCCESSFUL ALUMNI

- Cathedral Prep has a 100% graduation and college acceptance rate with students going on to enroll at West Point, Harvard, University of Pennsylvania, NYU, St. John's University, and dozens of other top notch universities.
- Every academic year, our small graduating classes consistently earn at least 8.2 million dollars in scholarship offers.
- Alumni have a strong presence at Cathedral; the entire administration and about one third of the faculty are graduates. We have a century of tradition that is being passed on from teacher to student!

Holy Cross High School, the first Catholic high school for boys in Queens, is committed to providing academic programs within the context of Gospel values. Boys learn differently than girls, and our multi-talented, professional staff is dedicated to fostering a personalized learning experience focused on the academic, physical, and spiritual well-being of each student in a safe environment.

Sponsored by the Congregation of Holy Cross (founders of Notre Dame University), Holy Cross High School offers a full college preparatory curriculum. Supplemental classes are also available to freshmen in need of academic support. The Religious Education Program supplements classroom instruction by providing liturgies, retreat programs, as well as opportunities for the Sacrament of Reconciliation.

Fine arts courses are also available, allowing students to pursue opportunities in a variety of media and participate in our visiting artists program. Music offerings take students from beginners to members of our Concert Band, Jazz Ensemble, and Drum Line which showcases their talents in a variety of school events and concerts.

A wide offering of co-curricular activities and clubs are available for student enrichment.

SPECIAL PROGRAMS

1:1 Google Chromebook Program: All freshmen are given a personal Google Chromebook. Class instruction incorporates the use of Google Classroom and the Google Apps for Education in order to promote 21st-century learning and help better prepare students for the future.

Father Moreau Honors Program: Provides academically gifted students with a challenging course of study designed to maximize their academic potential.

Saint André Bessette Academic Success Program: Designed to help select students with the transition from elementary school into high school and beyond. This program provides small class sizes,

literacy-centric coursework, and rigorous monitoring of progress for students requiring greater assistance in the foundational areas of reading and mathematics.

Science Research Program: In conjunction with the State University of New York, this rigorous program is designed for students interested in advanced study in the sciences. Students work with experts in their respective scientific fields and are credited as collaborators in associated published research.

Service Learning: This required course for seniors encourages students to develop leadership, responsibility and compassion through service to the community.

Advanced Placement Courses: Biology, Calculus, English, European History, Government and Politics, Physics, Spanish, Studio Art, US History, and World History.

Courses for College Credit: Biology, Calculus, English, European History, Italian, Spanish, Studio Art, and US History.

Nazareth Regional High School is part of a proud and distinguished legacy of educational excellence that is sponsored by the Xaverian Brothers. Nazareth is a high-performing, Catholic, co-educational secondary school that strives to educate the whole student academically, spiritually and athletically. Our dedicated faculty provides outstanding educational opportunities in a warm and supportive environment. Nazareth boasts its 100% graduation rate with 98% of our students attending college.

Our long tradition of academic rigor is designed to inspire and motivate student interest, and create a love of learning as well as meeting 21st century skills. Nazareth is introducing a new computer technology program that provides each student with a Chromebook. Every freshmen will take a foundation of coding and programming course. Our Pre-med program provides students with real-life experiences in medicine through exciting courses and internships with SUNY Downstate. An Honors program and Advanced placement courses provide challenging

and demanding coursework for students who qualify. *Students can earn up to 38 College credits in our College Advantage program by the time they graduate through our affiliation with St. John's University.*

Academic support is available throughout the year through after school tutoring, mentoring programs and regents preparation. Parents have 24-hour internet access to school information, homework, lessons, student grades, news and teacher contact.

A full range of extra-curricular activities, clubs and sports teams provide opportunities for our students to develop skills and friendships while using their talents and abilities. High expectations, a safe and nurturing environment, and a spirit of Christian fellowship are all part of the Nazareth experience.

HISTORY

Founded in 1957, Xaverian is a college preparatory, Xaverian Brothers Sponsored School which fosters an environment of Christian values and promotes the development of intellectual curiosity and service to others. In 2011, the Board of Trustees approved a multi-phased, strategic plan which has enhanced academic offerings, strengthened admissions requirements, expanded curricular and extracurricular programs, as well as implemented ongoing capital improvements and expansions.

SUCCESSFUL TRANSITION TO CO-EDUCATION & FACILITY ENHANCEMENTS

Based on the success of the earlier phases of Xaverian's strategic plan, which have resulted in the creation of a cutting-edge, 1:1 learning environment utilizing iPads and Apple TVs, Internship Program, Michael T. Strianese '74 STEM Program, and facility enhancements totaling nearly \$1 million to date, the Board of Trustees approved the latest phase of Xaverian's strategic plan in March 2015, which included expanding co-education from its middle school program to the high school grade levels in fall 2016. Facility enhancements include the transformation of the Whitcome Educational Center into the Whitcome Genesis Center, three new STEM laboratories for Engineering and Biomedical Sciences, the creation of a central commons area for student and faculty engagement, the transformation of existing locker rooms into Boys and Girls locker rooms, the creation of new restrooms, as well as the renovation of existing restrooms. These renovations will ensure that the school's facility matches the dedication, passions, and drive of Xaverian's students and faculty.

ACADEMICS & EXTRACURRICULARS

Xaverian offers a strong liberal arts core program, complemented by the opportunity to enter a Pre-Professional Pathway of study. There is a wide array of Advanced Placement and college credit courses through St. John's University and Syracuse University, as well as an Internship

Program in which students are exposed to professional experiences offered through prominent Xaverian alumni mentors in the fields of finance, law, medicine, architecture, engineering, education, philanthropy, and more. Xaverian's highly acclaimed Michael T. Strianese '74 STEM Program is offered through a partnership with Project Lead the Way (PLTW), the nation's leading provider of STEM programs, and offers a comprehensive curriculum for engineering and biomedical sciences. With expansive extra-curricular opportunities, 1:1 computing with iPads, robust athletic offerings in team and individual sports for young men and young women, and the award-winning Music at Xaverian Program, students are given important resources and leadership opportunities to develop impressive resumes for their collegiate pursuits. Our graduates consistently earn acceptance to top colleges including: Princeton, Duke, Cornell, Georgetown, UPenn, CUNY-Macaulay Honors, Boston College, Johns Hopkins, NYU, Rensselaer Polytechnic Institute, Notre Dame, Lehigh, the US Naval Academy, the US Military Academy at West Point, and the US Coast Guard Academy. Collectively, the class of 2016 was awarded \$36,880,924 in scholarships.

CAMPUS MINISTRY

Campus ministry and service to others is the heart of the school. Xaverian molds its students into Christian leaders who convert their faith into action. This transformation occurs through daily prayer, retreats, and community service.

MISSION

Cristo Rey Brooklyn is a Catholic high school that educates young people of limited economic means to become men and women of faith, purpose and service. By offering a rigorous curriculum, a unique work study experience and the support of an inclusive school community, we prepare our students to succeed in college and beyond with the values essential to a fulfilling life.

Cristo Rey Brooklyn is one of 32 college prep high schools in the nationally recognized Cristo Rey Network.

COLLEGE PREPARATORY PROGRAM

Our rigorous college prep curriculum is designed with the expectation that all students will enroll, and succeed, in college.

- Comprehensive College Guidance:
 - individualized support
 - college tours & workshops
 - scholarship & financial aid assistance
 - summer enrichment & immersion programs
- College & University Partners, national and local, including St. Francis College, St. John's University & New York University
- ACT Prep

- Summer Training Institute for new students
 - Academic enrichment
 - Computer & office skills
 - Business etiquette training
- Average class size: 25
- AP Class offerings

- The student's family must have a low to modest income
- The TACHS exam is not required for admission
- Admissions applications are available at www.cristoreybrooklyn.org or by calling (718) 455-3555

Applications are reviewed for eligibility. Students who qualify are invited to interview.

Why Choose a Catholic School?

As parents, you want the best for your children. It is because you wish them success in all of life's challenges that Catholic schools are the right choice.

Catholic schools provide an educational program based on religious beliefs and values, enabling your children to grow in their understanding of themselves, their relationship with God and their relationship with others.

Catholic schools promote the education of young people to their full potential; their teachers respect and encourage real learning experiences. Your children acquire knowledge and develop the skills necessary for success in higher educational pursuits and a wide range of careers.

Catholic schools offer a community environment in which your children can discuss and live out the values upon which their education is based. They are encouraged to contribute to society and to assume leadership roles in shaping public attitudes and programs.

In Catholic schools, young people learn to question, to establish confidence in their own good choices

in life and to experience the sense of accomplishment stemming from individual achievement and responsibility.

Take this opportunity to learn about Catholic Schools in Brooklyn and Queens. Whichever school you choose, you can be assured that your child will receive a strong academic education in an environment structured to have a lasting value.

Catholic Schools:

- Build character
- Foster community service
- Encourage involvement
- Develop real-world skills
- Shape leaders
- Reward achievement
- Reinforce values
- Allow for spiritual growth
- Embrace differences
- Raise standards
- Empower each student
- Celebrate school spirit

Catholic schools admit students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. They do not discriminate on the basis of race, color, national and ethnic origin in administration of their educational policies, admissions policies, scholarship and loan programs and athletic and other school-administered programs.

To the extent required by Title IX, they do not discriminate against any applicant, employee or student because of sex.
