# How to Register for Courses and Events

## *Register Online - It's easy!*

Everyone must have an account in order to register for courses or events, and view their personal transcripts. Prior to January 2013, the catechist was responsible for keeping track of certificates and hours. Courses taken from January 2013 to the present are listed in your “dashboard” on [www.bqonlineinformation.org](http://www.bqonlineinformation.org). As you register for courses, they will automatically be added to your account. The instructor will mark you complete and the certificate will be available to download, save, or print. For this reason, you cannot share an email account and you cannot register and pay for two or more people under your account, since the account holder will be the only one listed for the course.

To avoid confusion, please discontinue use of the paper version of your Catechist Record. For all those ministering in a Catholic school/academy, use of Option C is also permitted in addition to the MCFD transcript.
