The Joy of Encountering Christ: The Family's Hope

Diocesan Evangelization and Renewal Plan 2015-2018

Workshop #1

Parish Evangelization Teams and Basic Evangelization Steps (including forming small parish groups)

Father Frank DeSiano, CSP, President of the Paulist Evangelization Ministries will provide a two-hour workshop on two different days at four different times to assist parish leaders form new **Parish Evangelization Teams** and learn about **Basic Evangelization Steps** (including forming small parish groups).

Pastors/Administrators are asked to attend one of the sessions along with parish staff and volunteers. These workshops will assist us as we prepare to implement the parish elements of our Diocesan Evangelization and Renewal Springboard Plan. **Registration is required for planning purposes. Presentations will be in English with Spanish PowerPoint slides and discussion.**

The goal of the first part of the workshop is to provide professional development relating to forming Parish Evangelization Teams or refreshing those teams already in place. The second part of the workshop will explore the forming of small parish groups that need to be in place especially when we begin programs such as *Living the Eucharist* in Lent of 2016. These small groups will provide opportunities for people to build a great sense of community and to come together to learn about the Catholic faith, and especially the Mass.

We are all invited, in a special way, to seek out those who were baptized Catholic but have not been actively participating in the life of the Church. Come to learn how to do this in a productive way.
