We are pleased to announce free online training and webinars from our friends at Liturgy Training Publications. These webinars will be recorded but they ask that only those who are going to participate register. If you must cancel, then please notify them so that seat can be available for someone else.

The attached flyer will give you all the information you need from the link to register to the dates with topics offered in both English and Spanish!

We encourage you to share this information with all your RCIA Coordinators, RCIA Parish Teams and Catechetical Leaders.
